SQUARED AWAY

GENERAL KLEENE

For a barracks-like clean at a lower price than Simple Green and Purple Power; removes the dirt, grease and grime that coat your floors, walls and equipment; also formulated to be compatible with soak tank cleaning operations of ferrous and non-ferrous metal components, including aluminum.

- Biodegradable Formulation
- Non-Corrosive to All Surfaces
- Economical & Easy to Use
- Industrial Strength Formula

INTERNATIONAL 2427-C

Citrus-scented, liquid alkaline cleaner that is engineered to remove grease, oil and dirt from industrial flooring and other hard surfaces; it is especially well-suited for operations utilizing steam-cleaning equipment and ride-on or walk-behind floor scrubbers; an excellent all-purpose spray cleaner.

- Cuts Through Difficult Soils
- Removes Greases, Oils & Dirt
- Hard/Soft Water Compatible
- Stable at High Temperatures

FLOOR CLEANER CONCENTRATE

Robust and powerful blend of full-synthetic detergents, wetting agents and emulsifiers; formulated for the deep cleaning and wax stripping of industrial flooring; when mixed at low concentrations, it may be used as an all-purpose spray cleaner for machinery, tools and other soil-removal applications.

- Non-Flammable Concentrate
- Safe for Use on All Surfaces
- Will Not Harm Plexiglas
- Free-Rinsing Formulation
